MR. CARL SCHUBERT

All of us regretted to hear of Mr. Schubert's retirement, when his resignation was announced on February 13. Mr. Schubert was on the faculty when Riley became a high school in 1930. He not only helped organize the Science Department, but was the Department's head for many years. The teaching of chemistry and physics was his first love, and he demanded the best efforts from all students who came under his masterful direction. His success is attested to by the many fine scientists, both in and out of college, who were privileged to attend his classes. We wish him many pleasant years to come, and know he will enjoy happy memories of his many years at Riley.

Coach Whitmer addresses the Ruy Washington Round-up

While Coach Whitmer's 1958 squad failed to win a game, they will be remembered as a team that had courage and determination. They lost their opener to Fort Wayne Catholic in the final two minutes, 13-7. Gleason's pass to Munger gave them a 7-6 lead early in the game. Goshen's Redskins tumbled the Cats 31-13 in their Conference opener. Gleason's passes to Hostetler and Munger accounted for Riley's scores. Riley took the opening kickoff of the Fort Wayne North game 73 yards to score, but had to settle for a 6-6 tie. Michigan City then conquered Whitmer's men 21-6, and Central's State Champs overwhelmed them 40-0. The Adam's loss, 40-13, was highlighted by Gleason's touchdown pass to Sanders on the first play of the game. Sander's 96 yard touchdown run sparked the team to an early 7-0 lead in the LaPorte game, but it wasn't enough as the Slicers fought back to a 13-13 tie. The season closed with a 48-0 loss to Elkhart's Blazers

The Riley Wildcats closed their 1958-59 schedule with a 9-11 record. The conference game record was two wins and six losses. Coach Rzeszewski stated at the beginning of the season, that although we didn't have the height and experience needed for a top-ranked team, if the players had the spint and the desire to win, we would win half of our games. The players had the spirit and the desire; we won almost 50% of the games.

The team had a record of only 2 wins out of 6, when they met Terre Haute Garfield. This game was one of the seasons highlights. Riley led by one point at the end of the first quarter, pulling to 34-21 halftime lead. With the help of Phil Grundy and Herman West, the high scorers in the game, the final score was Riley 65, Garfield 44.

Next the "Cats" faced South Bend Washington. The Panthers outscored the Wildcats from the field 23-19, but Riley dropped in 26 scores from the charity line. These freethrows put Riley in command. They upset Washington 64-56

The Varsity Cagers showed their fighting spirit in the Holiday Tourney. They beat Washington the

second time in a row then swept over Adams to become champions. The Riley-Washington game was nip and tuck until the last period when Riley pulled to a final score of 69-62. The Wildcats next played Adams, the fifteenth ranked team in the state. It was a close hard-fought game with Riley winning 58-52 to become the Holiday Champs.

After dropping Conference games to North Side, Central, Adams and Elkhart, they set records when they conquered the LaPorte Slicers in a sensational game, 93-84. The total combined score of both teams was 177, the highest ever scored in a high school game at Adams. The game also broke the previous best single game high of our school. After losing to Goshen and Michigan City, the squad met Washington-Clay in the Sectional Tournament. They got by Clay 61-48, but lost to Adams 75-61 in an exciting game.

The coaching staff discusses the Sectional Tournament drawing. Seated: Head Coach, Lenny Rzeszewski. Standing: Douglas Simpson, Junior High Coach; Don Barnbrook, B-Team Coach; Harry Lewandowski, Junior High Varsity Coach.

## Tennis

This year, as Coach Barnbrook predicted, was a rebuilding year. The Riley varsity netman closed their 1958 season with a 2-7 record. The "B" team record was 1-2.

Although the prospects looked good at the start of the season with two players of the '57 varsity squad returning, Tim Chapman and Larry Wilson, Riley went down to defeat in all of its games except La Porte and Mishawaka. They lost thrilling, close matches to Central and Elkhart 3-2.

During the warmup before the Elkhart match Wilson sprained his ankle and the contest had to be delayed while his injured ankle was taped. This misfortune cost us a close match.

Only two of the varsity players, Boyer and Wilson, are seniors. The other four top players, Vukovich, Perkins, Kramer, and Chapman, will return next year along with the rest of the strong, veteran netters.

## Golf

Winning 10 and tying 1 of their 15 matches, the Varsity Golfers of 1958 became one of the finest high school golf teams in the state.

They started slowly because of bad weather, losing or tying 3 of their first four matches. But beginning with the Central match, which they won 12½ to 2½, they won 8 of their next 9.

Playing stellar golf, the team won the coveted championship of the LaPorte Invitational early in May, indicating the strength the team possessed.

They turned in one of their finest performances of the season when they won the Sectional Championship, posting a gross score of 212, the lowest score ever made in this meet.

One week later, they placed second in the Conference meet. Late in May they were entered in the State Tournament at Indianapolis, and came home with 3rd place honors.

## Baseball

Coach Rzeszewski's first year as head coach saw his team winning 12 games and losing 4, sharing the Conference Co-Championship with Mishawaka and Michigan City.

Possessing fine hitters in Martin, Paul, Goldberg, Medich, and Tomellison, the team was able to win most of the close ones. Goldberg batted 341 and Tomellison 311.

Barnes, Gleason, and Daugherty made up a fine pitching staff. Barnes pitched two excellent 1 hit games, the first against Niles on April 16, the other, a shutout 7 to 0 win over LaPorte on April 23.

## Cross Country

### RILEY CROSS COUNTRY—1958

The Wildcat cross country team under its new head coach, Paul Frazier, proved to be winners in their 1958 campaign.

Through the efforts of senior, Herman West, and three juniors, Arthur and Arden Floran and Ronnie Roskuski, they became a strong team.

When the season ended they had a record of 11 wins and 5 losses. To end a fine season, Riley finished 13th in the state.

First and second in the Adams meet: Ronnie Roskuski, Leon Capeland

Riley dashmen: Severin, Carlin, and Miller

It was close in the Central meet: Hurdlers, Larry Severin and Jim Sego

Below: Milers Chuck Dawson, Leon Copeland, and Ronnie Roskuski approach the finish line

## Track

Track was going through a re-building program last Spring, but the squad became involved in some thrilling dual meets before the season was over. Early in the season they scored heavily against both St. Joseph and Washington-Clay, winning both meets easily. However, they were out-manned in Conference competition, though they dropped a meet to Adams by a scant four points.

The team placed 8th in the Culver Relays, 10th in the race for City Title. Promising Sophomores and Juniors indicate a fairly strong team in the Spring of '59

## Swimming

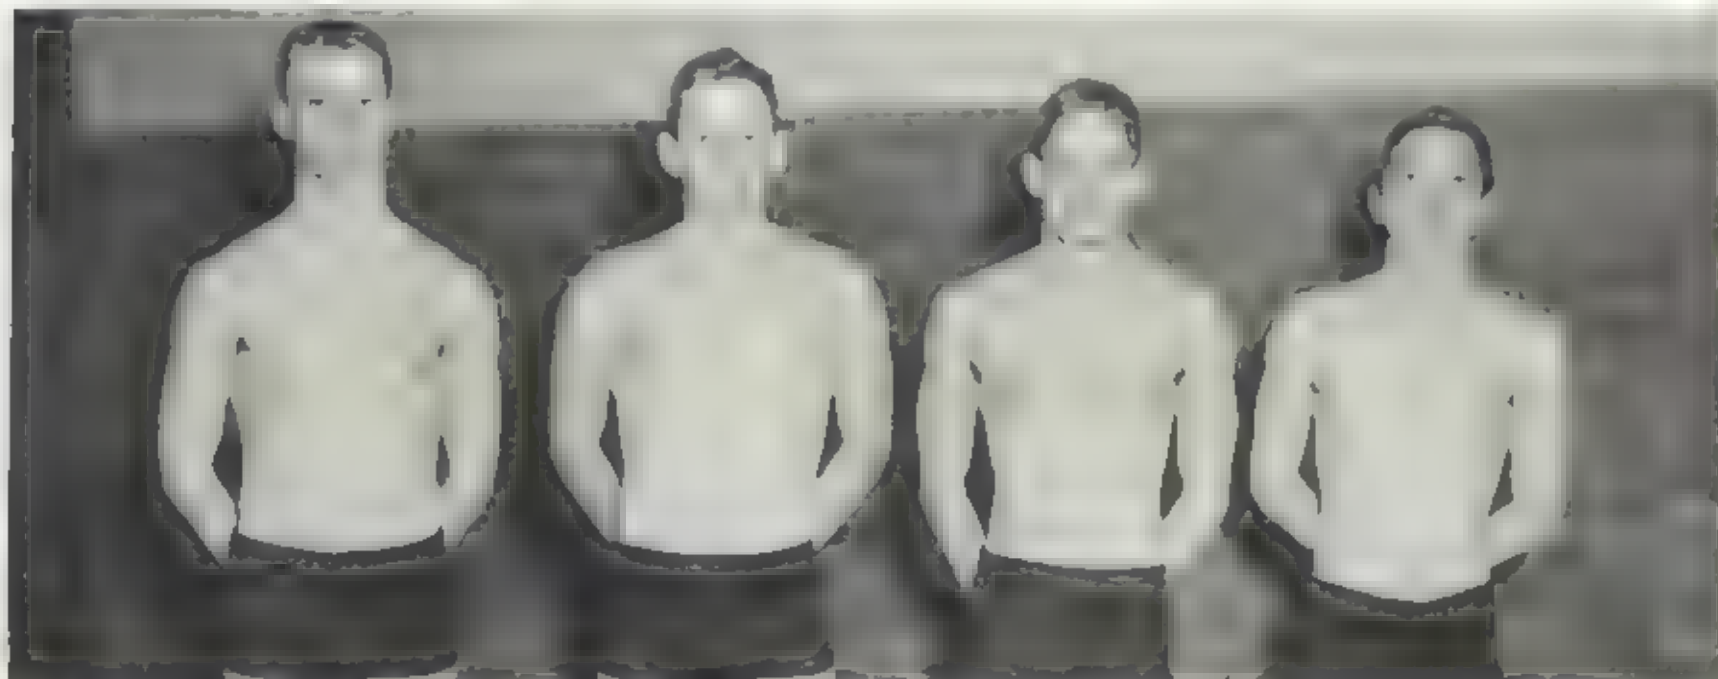

This year's Swimming team while winners in 9 of their 12 dual meets, failed for the first time in four years in their quest for State Championship honors.

After dropping their 1st meet to Evanston, Illinois, they won 8 straight meets, before losing to Central, 38 to 57. In a meet with other Conference schools, Dave Buchannon won the 100 yard Backstroke, John Buchannon the 100 yard Butterfly, and the 120 yard Individual Medley, and Gary Kins the 100 yard Breaststroke.

At the State Meet held at Purdue, Dave Hail, Gary Kins, John Buchannon and Tom Carmichael won the 200 yard Medley Relay, tying the State record of 1:52.3, Gary Kins won the 100 yard Breaststroke in 1:10.5. The team finished fourth in the State Meet.

## Wrestling

Coach Wajty's brought the 1959 Wrestling squad to a real conference contender during his second year with the team.

Being a comparatively new sport at Riley, many of the boys were inexperienced. But they won 7 of their 10 matches to record the best record Riley has made in the sport. In a tournament with other Conference schools, they finished in 3rd place, scoring 60 points. In this meet Art and Arden Floran both won 1st places, Art in the 103 pound division, Arden at 112 lbs.

The squad placed 4th in the Sectional Tournament with 46 points, but no boys were qualified for the State Meet.

Prospects are bright for next year as only four on the squad are Seniors; Pat Geraghty, Bruce Sullivan, Dave Gleason, and John Harvey

## A Curious Mishap

This 18th Century comedy, with a setting in the Hague, Holland, was the Drama Club's fall attraction. It was under the direction of Mr James Lewis Casaday. The play centered around a merchant's daughter whose father frowned on her love affair. She made false arrangements for her poor but handsome suitor to live at her home, only to nearly lose him because her father was unaware of her scheme. Her servants are also involved in the story, but it ends happily for every one, as all good comedies are supposed to end

## Kittiwake Island

"Kittiwake Island" was a romantic two act musical presented by the Junior High Drama and Music Departments. Dr. Orlando Puffin goes to the island in search of a very rare bird, a smew. But Dr. Lydia Sparrow, an admirer of Orlando, takes her band of Shakesperean scholars and follows him to the island. To complicate things, Dr. Merganser, Professor of Oceanography, loves Dr. Sparrow and follows her to the island with his band of scholars. After a series of hilarious and unsuccessful attempts, Dr. Puffin is about to give up the search when the smew is discovered in his picnic basket. The boys and the coeds join classes and mix Oceanography with Shakespeare. Drs. Puffin, Sparrow, and Merganser become good friends again. This production was under the direction of Mr. Casaday and Miss Guilliams.

Both admire Dr. Lydia. Which one will she choose?
